To all Inland Navigation affiliates and the ITF FOC – POC Inspectorate

ITF E-Circular No. 181/IN/SS/2020

Our ref: IN/SS/FB/dw

3 June 2020

Dear Comrades and Friends

World Health Organisation advice on COVID-19

The ITF has been in dialogue with the World Health Organisation regards getting some advice for seafarers on COVID-19.

There are many general points in here that may be useful for affiliates organising members in the Inland Navigation sector. Therefore, I am attaching a Question and Answer briefing on COVID-19 based on the information we have received from the World Health Organisation.

We hope this circular will assist you, and please continue to provide us with any information you have available at national level.

In solidarity

Fabrizio Barcellona
Assistant Secretary, Inland Navigation Section
